Thank you for choosing Bitterroot Valley Dental Care. An important part of providing the best dental care is making the cost of optimal care as easy and manageable as possible by offering several payment options.

Payment Options:

- 5% courtesy adjustment when you pay in full with cash or check at the time of service.¹
- NO INTEREST² Payment Plans³ from Care Credit
 - Allow you to pay over time with NO INTEREST²
 - Convenient, low monthly payment plans³ also available
 - No annual fees or pre-payment penalties
- Insurance claim submitted at time of service. You will be responsible for either your co-pay or the entire balance at the time of service depending on your insurance plan.⁴

Please note:

For patients with dental insurance we are happy to work with your carrier to maximize your benefit and directly bill them for reimbursement for your treatment.⁴ As a courtesy, we can provide you with an estimate of benefits, however your contract with the insurance company will determine the actual benefit. You are responsible for the entire cost of your treatment.

For treatment with multiple appointments, payment is required at your initial treatment appointment unless paying with Care Credit.¹

Payment is due in full at time of appointment unless other arrangements are made. A 24 hour notice is requested when canceling an appointment. A \$45 fee may be charged for missed appointments. I understand and agree to this financial policy for Bitterroot Valley Dental Care.
